

2008 Seasonal Sale

Now we are getting closer and closer to Christmas with less than 30 days until the big day! It comes around quicker each year!! We're doing our best to clear out the shop, get behind some of the stacks of kites and make space for new 2009 stock. This sale will run right up until Christmas Eve, obviously if we send out orders on the 24th December, they will not arrive gift wrapped and ready for the morning I'm afraid.

So to achieve this, we're slashing the prices on many products. Some are ex-display items from both the shop and our festival stock, but most are brand spankin' new. Keep an eye out for the Best Deal options, these are complete one of a kind offers, where the price is the lowest it has and will ever be on these select goods. Best Deal options will be highlighted with ** at the front and back of the text. We managed to buy in some of these goodies at extra special bulk prices so that we can pass them on to you for Christmas.....Good Eh! Don't forget, we're not just a one type of kite kind of shop... we specialise in everything from kite making materials, to top end high performance products. Read on...see what's on offer, and get in there before your buddies do.

These sale items are available to purchase either at our shop, by mail order over the telephone or by email. Details have been distributed directly to our customers by email or by post. If you would like to purchase anything from this list, please call the shop on 01455 230736 or send us an email to Shirley.Turpin@virgin.net. Shipping will be charged at cost. We accept all the usual payment cards, Paypal or cheques made payable to 'Highwaymen Ltd'.

Clothing Clearout ~ Buy One & Get One for Half Price

Why not bring the whole family to the shop and take advantage of our fantastic clothing sale. If you buy any item of clothing, you can choose something else of the same value or less for half price as long as neither items have already been reduced. Mix & Match throughout our new ranges of Weird Fish, DaKine, Ozone, Ripcurl and colourful ethnic knitwear from Nepal.

We are easily reached via the A5 from the South of the M69. Our shop is situated on the corner of New Buildings at the top of Castle Street in Hinckley Town Centre - just off the pedestrianised main shopping street. Car parking is within easy walking distance on Stockwell Head.

Don't miss the latest news, events and special offers

If you would like to receive our regular newsletter, which includes details of events and special sales offers as soon as they happen, please email us at Shirley.Turpin@virgin.net and we'll add you to our e-mailing list. You will be able to un-subscribe at any time you wish. If you do not wish to receive sale lists from us in the future, please let us know and we'll remove your name from our postal mailing list. Many thanks, and we look forward to hearing from you.
